Location: Bristol, United Kingdom

A skilled developer with over a decade of experience, consistently delivering high-quality work and fostering strong relationships with all stakeholders. I excel at breaking down complex problems and developing simple solutions, collaborating with colleagues from all disciplines to find the best solution possible.

## Experience.

Company	Role	Employment duration
Team Tech 4 / Shine	Web Developer	April 2025 - September
<b>Summary</b> <ul style="list-style-type: none"><li>• Worked on a number of bugs and features for the Shine website frontend (Remix/Vue) and backend (Pug/Express/Mongodb), using TDD to implement these changes (Cypress E2E).</li><li>• Participated in many discussions aiding in finding alternative solutions to requirements, culling potential significant development time sinks.</li></ul>		

Company	Role	Employment duration
Nomensa/ <b>GAIN</b>	Senior Frontend Developer	6th April 2020 - April 2025
<b>Summary</b> <ul style="list-style-type: none"><li>• Made significant contributions on projects for the NHS East of England Ambulance Service, Ramblers, One Advanced, Development Bank of Wales and Tredz.</li><li>• I was proactive in mentoring junior team members, providing support and guidance.</li><li>• Proactive in sharing knowledge on relevant technology with the wider team.</li></ul>		

### **Summary of professional skills**

Semantic accessible HTML, WCAG 2.1/2.2, TypeScript/Vanilla JS, Node (Express/Koa), frontend frameworks (Next Js, Nuxt Js, React, Vue), Storybook, Vite/AVA/Jest and Cypress E2E testing, WordPress theming and plugin development, Drupal theming experience (SDC).
